EXPRESSION OF INTEREST (EOI)

REQUEST FOR EXPRESSION OF INTEREST FOR CONSTRUCTION WORKS

Date: 30th August 2026

CONSTRUCTION OF TWO (2) BLOCKS OF FIVE (5) STANCE DRAINABLE PIT LATRINES AT ADEPAR PRIMARY SCHOOL, ACINGA SUB-COUNTY, KAPELEBYONG DISTRICT

SOCADIDO invites **Expression of Interest (EOI)** from suitably qualified, competent, and experienced contractors for the construction of **two (2) blocks of five (5) stance drainable pit latrines** at **Adepar Primary School, Acinga Sub-county, Kapelebyong District**.

The proposed construction works are intended to improve sanitation and hygiene facilities at the school and provide appropriate, safe, and sustainable sanitation facilities for pupils and the wider school community.

1. BACKGROUND

SOCADIDO seeks to engage a qualified and experienced contractor to undertake the construction of two blocks, each comprising five stances of drainable pit latrines at Adepar Primary School.

The successful contractor will be expected to undertake the works in accordance with the specifications, drawings, bills of quantities, and other requirements contained in the bidding documents to be issued to interested and qualified bidders.

The contractor will be responsible for ensuring that the works are undertaken professionally, safely, and within the agreed implementation period and required quality standards.

2. SCOPE OF THE WORKS

The assignment will generally involve the construction of:

- **Two (2) blocks of drainable pit latrines**;
- **Five (5) stances per block**, making a total of ten (10) stances;
- Excavation and preparation of the required pit foundations;
- Construction of foundations and superstructure;
- Construction of the required floor slabs and sanitation facilities;
- Construction of walls and associated structures;

- Roofing and other necessary building works;
- Provision and installation of appropriate doors and ventilation arrangements;
- Construction of drainage and other associated sanitation works;
- Finishing works necessary to make the facilities safe, functional, and suitable for use; and
- Any other related works specified in the bidding documents.

The detailed scope, technical specifications, quantities, drawings, and other contractual requirements will be provided in the bidding documents.

3. ELIGIBILITY AND MINIMUM REQUIREMENTS

Interested contractors should be legally established and suitably qualified to undertake the proposed construction works.

Applicants will be required to provide evidence of the following:

3.1 Valid Trading Licence

A copy of a valid **Trading Licence** relevant to the contractor's business and construction activities.

3.2 Tax Registration Certificate

A copy of the applicant's valid **Tax Registration Certificate** as evidence of registration for tax purposes.

3.3 Relevant Experience

Applicants should demonstrate **relevant experience in construction works**, particularly experience in the construction of institutional sanitation facilities, pit latrines, school infrastructure, or similar building works.

Evidence of relevant experience may include details of previous contracts, names of clients, location of completed works, contract values, scope of works, completion certificates, or other appropriate documentation.

4. REQUEST FOR BIDDING DOCUMENTS

Interested and qualified bidders are encouraged to apply

Requests for the bidding documents should be submitted by email to:

Email: *socadido@gmail.com*

Bidders are encouraged to request the bidding documents sufficiently in advance to allow adequate time for reviewing the requirements, preparing their bids, and submitting them before the deadline.

5. SUBMISSION OF BIDS

Completed bids should be prepared in accordance with the requirements contained in the bidding documents.

Deadline for submission of bids:
4 September 2026

Bidders are responsible for ensuring that their submissions are received by SOCADIDO on or before the stated deadline.

Late submissions may not be considered.

6. EVALUATION OF BIDS

Bids received will be reviewed and evaluated in accordance with the requirements and evaluation criteria contained in the bidding documents.

The evaluation may consider, among other relevant requirements:

- Compliance with the mandatory eligibility requirements;
- Validity and completeness of submitted documentation;
- Relevant experience and demonstrated capacity;
- Understanding of the required works;
- Technical responsiveness to the specifications;
- Proposed approach to implementation; and
- Financial competitiveness and overall value for money.

Only bidders meeting the requirements specified in the bidding documents will be considered for further evaluation.
